Enclosures:

No. 2990-D1/46 dated 15th June 1946.

Sir,

Sub: Industries - Sericulture - Kollegal silk filature, Kollegal - appointment of Women supervisors - sanction - requesting.

It is reported that when Mr. Peychaud was in charge of the Kollegal silk filature, Kollegal during 1943 he appointed two women supervisors in the Kollegal silk filature, Kollegal to exercise effective supervision over the work of the women labourers employed in the silk and silk waste section of the filatures. These supervisors were continued even after Mr.P.A. Raman took charge of the Kollegal silk filature, as their services were considered necessary. As there were no posts of women supervisors sanctioned in the establishment of the Kollegal silk filature, Kollegal, they were paid from contingencies as menials. Later, one of them was absorbed in the establishment of the Kollegal silk filature itself and the other transferred to the Government silk filature from 1.8.1945. The Chief Auditor State Trading Schemes, Madras, has, during his recent audit, stated that the sanction of Government has to be obtained for the posts. I furnish below particulars of the periods during which the Supervisors were in service, the number employed and the pay plus Dearness Allowance drawn by them.
